Tull has been sharing the music of the mountain dulcimer since 1984. He is a very popular entertainer and workshop leader here in the Midwest as well as throughout the US. Tull enjoys arranging a wide variety of music including aires, waltzes, ragtime, traditional, old-time, contemporary, classical, and jazz for the mountain dulcimer. Tull is also one of the performers on Susan Trump's Masters of the Mountain Dulcimer, Vol. 1, has produced five recordings, and is author of many mountain dulcimer tablature books as well as his "Workshop Cds." Check out Tull's free tab each month at his website, [www.tullglazener.com](http://www.tullglazener.com). In Tull's words, "Over the past 15 years or so, I have been traveling around to these various festivals, teaching workshops, and doing some concerts. It's a way for me to give something back to the music and the dulcimer community that has brought me so much joy. I especially enjoy meeting new friends and sharing music together."

**Workshops: On Saturday, November 15, Tull will be teaching MD workshops for intermediate and above players.**

**\*\*Doors open at 9:00 am**

**Intermediate ( 9:30 – 11:30 am) – "Playing Backup"** - this class will focus on techniques which can be used to play backup, especially with tunes that you may not already know. Topics covered will include flat-picking, chop chords, and finding harmony parts. We will also talk about playing in other keys besides D. In the process, a number of new tunes will be taught to illustrate these techniques. D-A-d tuning, and we will also be using a capo or some examples.

**Intermediate/Advanced (1:00 – 3:00 pm) – "Repertoire for Mt. Dulcimer"** - we will learn a number of tunes from various genres, such as classical, gospel tunes and hymns, old-time, tin pan alley, fiddle tunes, waltzes and aires. We will focus on techniques to play more cleanly and expressively (cross-picking, hammer-ons, pull-offs, tremolo/vibrato, dynamics, etc). D-A-d tuning, capo may be required for some tunes.

**All Levels (3:30 – 5:30 pm) – "Ensemble Playing"** - the dulcimer is a very social instrument, and when it comes to playing in groups, the principle of "the whole is greater than the sum of its parts" definitely applies. This class will focus on learning a number of multi-part arrangements, with different parts for each tune suitable for the different skill levels. D-A-d tuning, a capo may be required for some parts for some arrangements. \* Tull will be bringing new tunes.

**Motel Information:** If you would like to turn this Saturday workshop/concert day into a REAL get-away, there are several motels and the KOA at Wapakoneta that offer special pricing. Just mention Famous Old Time Music Company. Holiday Inn (419-738-2050); Comfort Inn (419-738-8181); Super 8 (419-738-8810) is new with good normal rates.
