EXPLORE THE WORLD of BLUEGRASS

Have you ever given thought to learning how to play the Fiddle, or how about the Mandolin? Most of us have these thoughts from time to time. The Western Ohio Bluegrass Association along with the Famous Old Time Music Company is planning a great day of music for all of you Bluegrass Fans.

On April 24th we have set aside a day where you can explore the Bluegrass World. The day will kick off with a Bluegrass Instrument Introduction Class, where you'll have the opportunity to hold and strum a variety of Instruments. Whether you're interested in playing a Fiddle or a Banjo, this class will give you the opportunity to check that Instrument out. Immediately following the Instrument Introduction Class, Vernon & Kitty McIntyre will host a live Bluegrass Music Session, hi-lighting how each Instrument fits into the Bluegrass Band. Many of the Musicians in this portion of the class are regulars at the Famous Old Time Music Jam sessions.

This class is free to anyone who has the desire to learn more about Bluegrass Music. No skills are necessary to participate in the class. You don't even need to have your own instrument; Famous Old Time Music Company will provide instruments to try out.

Sign up for this class at the Famous Old Time Music Company or by calling 419-568-1220.
